

Autophagy, Inflammation & Metabolism
Center of Biomedical Research Excellence

2019 AIM Center Symposium

Focus on Autophagy

The University of New Mexico

Albuquerque, New Mexico, USA

Organizers:

Vojo Deretic, The AIM Center, USA

Leon Murphy, Casma Therapeutics, USA

Li Yu, Tsinghua University, China

February 22, 2019

Speakers &

Workshop Leaders

Christian Behrends
Ludwig Maximilian University of Munich,
München, Germany

Judy Cannon
The AIM Center, UNM HSC, Albuquerque, USA

Quan Chen
Chinese Academy of Sciences, Beijing, China

Patrice Codogno
Université Paris Descartes Sorbonne, Paris, France

Zyulun Elazar
Weizmann Institute of Science, Israel

Eeva-Liisa Eskelinen
University of Turku, Finland

Thierry Galli
INSERM, Paris, France

Devrim Gozuacik
Sabanci University, Istanbul, Turkey

Yuexi Gu
The AIM Center, UNM HSC, Albuquerque, USA

Phyllis Hanson
Washington University, St Louis, USA

Terje Johansen
The Arctic University of Norway, Tromsø, Norway

Gabor Juhasz
Institute of Genetics, Biological Research Centre,
Hungarian Academy of Sciences

Noboru Mizushima
University of Tokyo, Japan

Michael Ragusa
Dartmouth University, New Hampshire, USA

Fulvio Reggiori
University Medical Center Groningen,
The Netherlands

David Rubinsztein
Cambridge University, UK

Kevin Ryan
Cancer Research Beatson Institute, Glasgow, UK

Larry Sklar
The AIM Center, UNM HSC, Albuquerque, USA

Sharon Tooze
The Francis Crick Institute, London, UK

Maria Vaccaro
University of Buenos Aires, Argentina

John Weaver
The AIM Center, UNM HSC, Albuquerque, USA

Tamotsu Yoshimori
Osaka University, Osaka, Japan
